Music

Wednesday 16.08.

6:00 pm ~~~~~

Dancing Franky O.

There are great stories from Frankfurt's wild disco years of the 70s and 80s, when bars even had to work in two shifts.

At Zukunftsplatz those days are not over yet: with music from the time and people, who danced and DJ'd already back then.

Open Air Cinema

Tuesday ~~~~~ 15.08.

9:00 ~~~~~ 11:00 pm

We don't know yet which film exactly, but it's going to be great! At least one film about Frankfurt will be there 100%!

~~~~~ Party  
Saturday 19.08.  
7:00 pm ~~~~~

Frankfurt has a rich music scene. The evening will offer a chance to experience some of it live.

14 - 19 August

Zukunftsplatz ~~~~~ Frankfurt (Oder)

## Cooking & Dining together

15.08. & 17.08.  
5:00 pm

Love goes through the stomach, some say.  
That certainly applies to  
Franky O. as well.  
Come by - we have  
(almost) everything there.

## Discussion

Thursday  
17.08.  
Creative  
City Making  
18:00

How we shape urban space needs to be discussed again and again - because the buildings, artworks, plants and our sheer presence change the cities. Some people like it, others get annoyed. Together with engaged practitioners and theoreticians, we will talk with Franky O. and discuss the SORRY sculpture, the urban artworks and our city as a whole...

## Future Lab

What's that?

An open place, outdoors, in the middle of the city, where people can meet to make music together, swing the cooking spoon or discuss the future of the most beautiful twin-city of the world. And to learn from each other and with the city itself.

A space for an open exchange between neighbors, some of whom might not even know each other. Did you know you know, for instance, that Mr. Müller from house number 3 likes to strum his guitar and eat tofu?

## Co Create?

Yes, absolutely! No matter if you like to play instruments, cook together with neighbors, improve your handicraft skills, or share your visions for the Future square with others - you can do it all here. And much more: open air cinema and concerts - everything outdoors, for the young and elderly, and, of course, free of charge.

## Building the installation

Monday 14.08.  
12:00

Come by and help us to design and build the architectural installation and create a space for different ideas.
